

Practice Schedule

The LAST day of practice for ALL groups is Friday, July 30th!
We will return on August 16th with an abbreviated schedule.

Practices for the month of August through September 3 will only be offered on Monday, Wednesday and Friday ONLY for Alligator, Jr. Gator and Bull Gator – Tuesday and Thursday ONLY for Orange and Blue gators.

National Championships – Good Luck!

Riley Flanagan, Hillary Petersen and Billy Silva will be competing in the National Championships August 3-7 in Irvine, California. Best of Luck Gators!

Follow the meet through this link:

<http://www.swimnetwork.com/Events/Meets/2010/August/National-Championships.aspx>

Reminder-Indoor Pool Closing

Saturday, July 24th the indoor pool will be undergoing reconditioning which means it will be closed through the end of August. This means our pool space will be limited to the outdoor pool only.

A few things to keep in mind: Please tell your athletes NOT to dump their bags right inside the gate of the outdoor pool. This area has a high volume of traffic and needs to remain clear for safety reasons and common courtesy. Putting them over by the swim and dive building is a safe place to put them.

The University Locker Rooms are NOT to be used. This is not only a liability issue but also a safety issue. The locker rooms in the O'Connell Center are available but we feel it is best if the young athletes are accompanied by a guardian. They can be reached through the Upper Level of Gate 3.

Welcome New Coaches!!

Bryan Woodward and Dustin Koch are two new coaches that we welcome to our staff for the upcoming 2010-2011 season. We are very excited about these new coaches as additions to our program. We feel they will both enhance the program tremendously and we look forward to having them on board with Gator Swim Club. Bryan will be our new Head Age Group Coach working directly with the JR Gators. Dustin will be guiding the Blue and Orange Gators in their pursuits. Coach Nancy will be working with all the age group staff/groups to make the transition for the coaches and athletes as smooth as possible. We feel that this flexibility will really aid the program especially in times when coaches are away at meets and clinics, but also on a day to day basis to address the needs of the program on any particular day.

We wish you all a wonderful break away from the pool. Be safe in your travels. We look forward to seeing you in mid August to begin anew with Gator Swim Club in our pursuit of excellence!

Find attached a schedule for the early fall that should clarify the August and early September dates. There are also dates for the first couple of swim meets and Parent Meetings.

A normal practice schedule for Age Groupers is also attached which will go into effect on Tuesday, September 7th.

Go Gators!!
